

UNIVERSITY *of* VIRGINIA

OFFICE *of* SAFETY AND EMERGENCY PREPAREDNESS

CPR Class Information

Background: The UVA Office of Safety and Emergency Preparedness (OSEP) is pleased to offer CPR/AED certification to official UVA departments, offices, or groups, at a greatly reduced cost from what is found in the community. It is suggested that every building equipped with an AED have at least 5 people certified in CPR/AED use.

Class Offered: American Heart Association Heartsaver Adult CPR/AED

Length: 2 Hours

Participants: Ideal class size is between 4-8 participants. There is a strict maximum of 10 participants per class (this is imposed by the American Heart Association).

Location: OSEP staff comes to your building/site to conduct training. It is requested that you reserve a conference room or training room for the class. The room should be large enough to accommodate all students, with the knowledge that students will be working in pairs and needing to spread out slightly. We kindly request that you provide A/V services (projector and speakers).

Costs: \$18 per participant (course is at cost to OSEP, \$5 card fee and \$13 electronic textbook from the American Heart Association)

Payment: Payment can be made by departmental transfer (PTAO) directly to the Office of Safety and Emergency Preparedness. Personal checks are also accepted for individuals not covered by a department.
